 - Feature - User management: 16
- **Total: 98 story points**

Feature - Share route

- Original Story Point Estimate: 20
- **Assigned to:** Leon Chen
- **Task Breakdown:**
 - Research
 - Individual story point estimate: 4
 - Create http get api method
 - Individual story point estimate: 4
 - Database set up
 - Individual story point estimate: 4
 - Frontend UI
 - Individual story point estimate: 5
 - Build mapbox route with params
 - Individual story point estimate: 4
 - **Updated Story Point Estimate: 21**

Feature - OTP

- Original Story Point Estimate: 12
- **Assigned to:** Colin
- **Task Breakdown:**
 - Research
 - Individual story point estimate: 3
 - Send one-time password to email
 - Individual story point estimate: 4
 - Database to check OTP
 - Individual story point estimate: 4
 - **Updated Story Point Estimate: 11**

Feature - Account Creation

- Original Story Point Estimate: 15
- **Assigned to:** An
- **Task Breakdown:**
 - Research
 - Individual story point estimate: 3
 - Set up data access
 - Individual story point estimate: 4
 - API Controller
 - Individual story point estimate: 4
 - Frontend UI
 - Individual story point estimate: 4
 - **Updated Story Point Estimate: 15**

Feature - Login/Logout

- Original Story Point Estimate: 12
- **Assigned to:** Colin
- **Task Breakdown:**
 - Research
 - Individual story point estimate: 3
 - Set up data access
 - Individual story point estimate: 4

- Get tokens
 - Individual story point estimate: 3
- Frontend UI
 - Individual story point estimate: 3
- Clearing tokens
 - Individual story point estimate: 2
- **Updated Story Point Estimate: 15**

Feature - Save Route

- Original Story Point Estimate: 20
- **Assigned to:** Andy
- **Task Breakdown:**
 - Research
 - Individual story point estimate: 4
 - Set up data access
 - Individual story point estimate: 4
 - API Controller - post method
 - Individual story point estimate: 5
 - Frontend UI
 - Individual story point estimate: 3
 - Testing
 - Individual story point estimate: 4
 - **Updated Story Point Estimate: 20**

Feature - User management

- Original Story Point Estimate: 15
- **Assigned to:** Orion
- **Helped by:** Leon
- **Task Breakdown:**
 - Research
 - Individual story point estimate: 3
 - Set up data access
 - Individual story point estimate: 4
 - API Controller
 - Individual story point estimate: 5
 - Frontend UI
 - Individual story point estimate: 4

- **Updated Story Point Estimate: 16**
